**NO DISPUTE AWARD**

The Central Government in the Ministry of Labour vide notification No L-42012/1/2001-IR(CM-II)) dated 17.07.2001 referred the following industrial Dispute to this tribunal for adjudication :-

Whether the demand of CPWD, Mazdoor Union for reinstatement and regularization of Sh. Santosh Kr. and Manvar Singh, Enquiry Clerk engaged through contractor in the CPWD, Parliament works Division, I.P. Bhawan, New Delhi is legal and justified? If yes, to what relief S/Sh. Santosh Kumar and Manvar Singh are entitled to?

On 16.08.2009 reference was received in this tribunal. Which was register as I.D No. 45/2001 and claimants were called upon to file claim statement with in fifteen days from date of service of notice. Which was required to be accompanied with relevant documents and list of witnesses.

After service of notice workmen/claimants Sh. Santosh Kr. and Manvar Singh filed claim statement on 20.11.2002. Wherein they prayed as follows:-

- (a) Award reinstatement of the workmen from the date of their termination with full back wages and continuity of service with all consequential benefit and also award the regularization of Sh. Santosh Kumar w.e.f 15.4.97 and Manvar Singh Rawat w.e.f. 10.04.1997 as Enquiry Clerk;

- (b) Pass any other award/order as this Hon'ble Tribunal may deem fit and proper in the interest of justice and fair play.

Against Statement of Claim Management filed Written Statement on 30.11.2007. Wherein management prayed as follows:-

It is, therefore, most respectfully prayed that this Hon'ble Tribunal may be pleased to dismiss the claim of the workmen with costs.

In Reply to the written statement on the behalf of the workmen Sh. Santosh Kr. and Manvar Singh, Workmen filed rejoinder on 8.06.2004. Wherein they prayed as follows:-

In view of the contents of above, written statement of the management may kindly be dismissed.

On the basis of pleadings of parties my Ld. Predecessor framed following issues on 07.05.2013:-

1. Whether the claimant has been engaged by the management through a contractor?
2. Whether contract between contractor and the principal employer was sham/nominal?
3. As in terms of reference.

Case was fixed for workmen evidence on 11.07.2013. Although, several opportunities have been given to workmen to give their evidence but they adduce no evidence. Which is indicative of the fact that claimants/workmen are not interested in further progress of the case in this oldest I.D. No. 45/2001. Hence, this tribunal cannot cooperate in the dormancy of workmen.

Hence, workmen are not entitled to any relief inwant of their evidence. Reference is liable to be decided in favour of management and against workmen and claim statement is liable to be dismissed.

Reference is accordingly decided in favour of management and against workmen and claim statement is dismissed.

No dispute is accordingly passed.

#### AWARD

The Central Government, Ministry of Labour & Employment vide its Order No. L-40012/85/2010-IR (DU) dated 28.03.2011 referred the following Industrial Dispute to this Tribunal for adjudication.

The schedule mentioned in that order is :

“Whether the action of the Management of Superintendent of Post Offices, Ramanathapuram in terminating the service of their workman, Sri K. Poornachandran w.e.f. 30.11.2007 is legal and justified? What relief the workman is entitled to?”

2. On receipt of the Industrial Dispute this Tribunal has numbered it as ID 27/2011 and issued notices to both sides. Both sides have entered appearance through their counsel and have filed their claim and counter statement respectively. The petitioner has filed rejoinder in reply to the Counter Statement.

3. The averments in the Claim Statement filed by the petitioner in brief are these:

The petitioner was working as Gramin Dak Sevak Branch Post Master in Nagaram Branch Office, Nainarkoil. A charge sheet dated 06.07.1998 has been served on him making certain allegations. It was alleged that he had treated a money order dated 27.10.1997 for Rs. 1,000/- payable to Sri Irulaiah as paid without obtaining the signature of the payee in the MO Paid Voucher and without actually paying the value of the MO to the payee and that he had treated MO dated 24.10.1997 for Rs. 2,000/- payable to Smt. Irulayee as paid without actually obtaining the thumb impression or signature of the payee in the MO Paid Voucher and without actually paying the value of the MO to the payee. An enquiry was conducted into the charges leveled against the petitioner. The enquiry was not conducted in a proper manner. Irulayee and Irulaiah were not examined by the Enquiry Officer. The witnesses were threatened by the Enquiry Officer. He held the charges as proved based on the preliminary statements obtained from these witnesses. The criminal prosecution initiated against the petitioner ended in acquittal before the Respondent passed dismissal order based on the enquiry report against the petitioner. The finding of the Enquiry Officer is not based on any material evidence. The charges leveled against the petitioner have not been proved. The dismissal of the petitioner from service is improper and illegal. The petitioner is entitled to be reinstated in service with continuity of service, back wages and all other attendant benefits. A direction may be given to the Respondent to this effect.

4. The Respondent has filed Counter Statement contending as follows:

The petitioner was appointed as ED Branch Post Master, Nagaram w.e.f. 14.09.1982. While working as such he had committed financial irregularities to the tune of Rs. 10,000/- in money order payments. As it was found that a prima-facie existed against the petitioner, he was placed under off-duty w.e.f. 15.11.1997 and Charge Memo was served on him. On 27.10.1997, Money Order for Rs. 1,000/- payable to Sri Irulaiah was received at the Branch Office on 05.11.1997. the same has not been entered in BO Journal of Nagaram but has been shown as in deposit from 04.11.1997 to 08.11.1997 and it has been treated as paid on 10.11.1997. In the paid voucher of the MO signature as that of Irulaiah was found. However, Irulaiah has denied to have received the amount and has disowned the signature found in the MO paid voucher. The petitioner

had treated the MO as paid without actually obtaining the signature of the payee in the MO Paid Voucher and without actually paying the value of the MO to the payee. The petitioner had failed to follow the procedure laid down in Rule-109 and 112 of BO Rules. MO dated 24.10.1997 for Rs. 2,000/- payable to Smt. Irulayee Kartheesan also was treated as paid in this manner. Irulayee had denied to have received the amount or to have put thumb impression in the MO Voucher. An enquiry was conducted into the charges leveled against the petitioner. They were found proved. The charges leveled against the petitioner in the criminal case are entirely different from the charges leveled against him in the departmental proceedings. The petitioner has been dismissed from service on the basis of the enquiry report. The petitioner is not entitled to any relief. He has acted in a manner unbecoming of a government servant. The petition is only to be dismissed.

5. The petitioner has filed rejoinder denying the allegations in the Counter Statement and reiterating his case in the Claim Statement.

6. The evidence in the case consists of oral evidence of WW1 and MW1 and documents marked as Ext.W1 to Ext.W4 and Ext.M1 to Ext.M7.

**7. The points for consideration are:**

- (i) Whether the action of the Respondent in terminating the service of the petitioner is legal and justified?
- (ii) To what relief, the petitioner is entitled?

**The Points**

8. The petitioner who has been working as Gramin Dak Sevak Branch Post Master has been dismissed from service on account of certain charges of misappropriation committed by him. An enquiry was conducted after serving Charge Memo on him. He is alleged to have misappropriated the amount of two Money Orders without making payment to the payees but showing them as paid.

9. There is a contention for the petitioner in the Claim Statement that a criminal proceedings has been initiated against him regarding the same incident and he was acquitted of the charges. He has also produced Ex.W1 said to be the copy of the order in CC 62 of 2003, the case against him. According to the Respondent, the criminal proceedings has nothing to do with the subject matter of the departmental enquiry and is entirely different. The copy of the judgment produced by the petitioner in Tamil. A translated version of this has not been furnished even if sufficient opportunity was given. In fact, neither the petitioner nor the Respondent has produced the entire documents pertaining to the enquiry. The petitioner has produced only the enquiry report. The Respondent has produced the enquiry report as well as the charge sheet. The other documents available are not much relevant for

the adjudication of the case. In view of this the case has been suo-moto reopened and direction has been given to produce the required documents. In spite of repeated postings, these were not produced. So there is constraint for an effective adjudication of the dispute.

10. In spite of the above constraint, on going through the enquiry report it can be seen that there was sufficient justification for the Enquiry Officer to enter a finding against the petitioner. The first charge against the petitioner is regarding non-payment of Money Order of Rs. 1,000/- payable to one Irulaiah. Irulaiah himself is not seen examined. The petitioner has alleged that the witness was not examined deliberately. According to the Respondent, the witness was threatened by the petitioner against giving evidence. However, there was sufficient material other than the evidence of Irulaiah available to the Enquiry Officer to come to a finding against the petitioner. Referring to the documents produced in the enquiry proceedings the Enquiry Officer has found that the Money Order was received at Post Office on 05.11.1997 and kept in deposit by the petitioner upto 08.11.1997 and the same was shown as paid on 09.11.1997. Even though the Money Order was detained at the Branch Office for four day, the petitioner did not mention the particulars of the Money Order in the BO Journal which was produced in the enquiry proceedings. He did not make mention of it in other documents also. As seen from the enquiry report the petitioner has told the Enquiry Officer when he was question that he failed to mention the particulars in the relevant documents. The Enquiry officer has found that these were willfully done by the petitioner. In the absence of the required documents before this Court there is nothing to show that the contention drawn by the Enquiry Officer is not reasonable.

11. The second charge against the petitioner is that he failed to pay Money Order of Rs. 2,000/- dated 24.10.1997 to Smt. Irulayee. This payee also was not examined. However, the Enquiry Officer has found on comparison of the thumb impression of Irulayee obtained at the time of preliminary enquiry and the one in the Money order voucher that they are manifestly different even to the naked eye. He has pointed out that the petitioner has no case that the amount has been paid to somebody else. He has concluded on the basis of this that the petitioner has failed to pay the amount to the addressees. No material is available to differ from this finding of the Enquiry Officer also.

12. The petitioner was sitting in a position which required utmost confidence. He was entrusted with the task of dealing with money of the public. He has failed to keep the confidence reposed on him. The punishment of dismissal from service was only proper in the circumstances. So there was no necessity to interfere with the punishment imposed on the petitioner also.

13. In view of my discussion above, the reference is answered against the petitioner.

An award is passed accordingly.

### **AWARD**

The Central Government, Ministry of Labour & Employment vide its Order No. L-40011/21/2010-IR (DU) dated 08.03.2011 referred the following Industrial Dispute to this Tribunal for adjudication.

The schedule mentioned in that order is :

“Whether the action of the Department of Posts, Srirangam Division, Srirangam Trichy in dismissing Sri R. Samidurai, Ex-Branch Post Master is justified? If not, to what relief the concerned workman is entitled to?”

2. After receipt of the Industrial Dispute this Tribunal has numbered it as ID 16/2011 and issued notices to both sides. Both sides have entered appearance through their counsel and filed Claim and Counter statement respectively. The petitioner has filed rejoinder in answer to the Counter Statement.

3. The averments in the Claim Statement in brief are these:

The petitioner was appointed as Branch Post Master in Pudukkottai Branch Post Office on 05.01.1989. While working in the said branch the petitioner was served with a memo of charges. It was alleged in this that the petitioner had accepted Rs. 240/- from one Karupayee, holder of RPLI Policy on 31.05.2004 but accounted only for Rs. 79/-, that he had accepted Rs. 30,500/- on 02.04.2003 from Panchayat Union Middle School Pudukkottai for deposit in the SB Account of the school but accounted Rs. 29,000/- only, that the petitioner had charged Rs. 975/- towards SB withdrawal from an account on 25.04.2003 while the amount passed for withdrawal was only Rs. 500/-, that the petitioner had failed to account for a sum of Rs. 100/- received from one Muthammal on 31.05.2003 for deposit in the account and that she had accepted Rs. 200/- with default fee on 07.08.2000 from Muthammal but failed to account for the said amount. An enquiry was conducted on the charges against the petitioner and Charges 1, 2 and 4 were found proved. On the basis of the enquiry report the penalty of removal from service was imposed on the petitioner by memo dated 27.09.2007. The appeal filed by the petitioner against this order was rejected. The petitioner has not committed the misconducts alleged against him. There is no justification for the punishment imposed on him. An order may be passed directing the Respondent to reinstate the petitioner with continuity of service, back wages and all other benefits.

4. The Respondent has filed Counter Statement contending as follows:

Charges were made against the petitioner as stated in Para-2 of the Claim Statement. Karupayee had paid first premium to join RPLI scheme on 14.01.2003 and it was accepted for March 2003. On 31.05.2004 the petitioner had accepted three instalments with two defaults. But he brought one monthly instalment only in the account. This irregularity was detected by the Inspector who inspected the office. The Headmistress of Panchayat Middle School had handed over Rs. 30,500/- to a teacher of the school and he had deposited the amount at the Post Office on 02.04.2003 But the petitioner had accounted only Rs. 29,000/-. The petitioner had failed to account the deposit amount of Rs. 500/- each accepted by him on 02.04.2003 in respect of three different accounts. He had also failed to account for the sum of Rs. 100/- received from Muthammal on 31.05.2003 and a sum of Rs. 200/- received from her on 07.08.2003. An enquiry was conducted against the

petitioner and the charges were found proved. The punishment of removal from service was imposed on the petitioner. The petitioner is not entitled to any relief.

5. In the rejoinder the petitioner had denied the allegations in the Claim Statement and has reiterated his case in the Claim Statement.

6. The evidence in the case consists of oral evidence of WW1 and MW1 and the documents marked as Ext.W1 to Ext.W9 and Ext.M1 to Ext.M37

7. The points for consideration are:

- (i) Whether the action of the Respondent in dismissing the petitioner from service is legally justified?
- (ii) If not, what is the relief to which he is entitled?

#### The Points

8. The petitioner who had been working as Post Master in Pudukkottai Branch Post Office from 05.01.1989 was served with a charge sheet alleging certain misappropriation. He is said to have failed to account money received from some of the account holders as stated in the Charge Sheet. An enquiry was conducted against him and he was dismissed from service. The petitioner has raised the dispute challenging this.

9. The petitioner produced 9 documents including the memo of charges, the enquiry report and the depositions of three witnesses in the enquiry proceedings. Both the petitioner as well as the Respondent have been conducting the case in a most lethargic manner. After the case was posted for orders, it was noticed that neither the petitioner nor the Respondent have produced translated versions of the depositions of the witnesses. Though the enquiry report is produced it is too illegible and could not be read at all. The materials required for effective adjudication were not available in the case file. So the ID was suo-moto reopened on 20.03.2014. The case was repeatedly posted for producing the necessary documents.

10. Neither the petitioner nor the Respondent have produced them. This Tribunal is not in a position to adjudicate the matter in the absence of relevant materials. So the only option is to answer the ID against the petitioner.

11. For the foregoing reasons, the reference is answered against the petitioner.

An award is passed accordingly.

#### AWARD

The Central Government, Ministry of Labour & Employment vide its Order No. L-40012/86/2010-IR (DU) dated 31.03.2011 referred the following Industrial Dispute to this Tribunal for adjudication.

The Schedule mentioned in that order is :

“Whether the action of the management of Superintendent of Post Offices, Ramanathapuram in terminating the services of the workman, C. Karuppaiah, Extra-Departmental Agent Workman w.e.f. 17.09.1993 is legal and justified? What relief the workman is entitled to?”

2. After receipt of the Industrial Dispute this Tribunal has numbered it as ID No. 30/2011 and issued notices to both sides. Both parties entered appearance through their counsel and filed their claim and counter statement respectively. The petitioner had filed rejoinder in answer to the Counter Statement.

3. The averments in the Claim Statement filed by the petitioner in brief are these:

The petitioner was appointed as Gramin Dak Sevak Branch Post Master in Kumbaram Branch Office on 21.06.1973. While he was working as such, on 08.08.1989 the Sub-Divisional Inspector (Posts) Ramanathapuram had visited the office and recovered Rs. 5,375/- from the petitioner under the threat of Police action as if he had misappropriated the said sum from the SB A/c belonging to one P. Ganesan and thereby the petitioner was placed under off-duty on 09.08.1989 by the Inspector. A memorandum of charges dated 12.07.1990 was issued to the petitioner. The petitioner had denied the charges. It is alleged in the charges that the petitioner had fraudulently withdrawn Rs. 4,000/- from the account of Ganesan by three different dates. It has also been alleged that the petitioner did not accord credit of Rs. 25/- collected from Poomayil, W/o Ganesan towards the SB A/c of Ganesan. It was further charged that he had belatedly opened the SB Account towards the deposit of Rs. 60/- and has not credited Rs. 255/- collected on various dates prior to 19.07.1989 from one Muthammal. Though the amount shown as misappropriated in the memorandum of charges is Rs. 4,000/- only, the petitioner was compelled to make credit of Rs. 5,375/-. The discrepancy between the two amounts was not explained. The Enquiry Officer conducted enquiry against the petitioner in total violation of principles of natural justice and found that the charges are proved. The Disciplinary Authority has dismissed the petitioner from service by order dated 17.9.1993 on the basis of the enquiry report. The appeal filed by the petitioner against the order of the Disciplinary Authority was dismissed. The petitioner has not committed any misappropriation as alleged. An order may be passed directing the Respondent to reinstate the petitioner in service with continuity of service, back wages and all other attendant benefits. The petitioner is not entitled to any relief. The petition is liable to be dismissed.

4. The Respondent has filed Counter Statement contending as follows:

The petitioner was appointed as Extra-Departmental Branch Post Master, Kumbaram Branch Office at Periyapattinam w.e.f. 21.06.1974. While working as such he had committed financial irregularities in two SB Accounts to the tune of Rs. 4,280/-. Since there was a prima-facie case, the petitioner was placed under off-duty and he was proceeded against under Rule-8 of P&T ED Agents (Conduct and Service) Rules. He was dismissed from service by memo dated 17.09.1993 on the basis of the report of enquiry. The appeal filed by the petitioner before the Appellate Authority against the dismissal was rejected. The petitioner had credited Rs. 5,375/- voluntarily towards the amount misappropriated and interest. The total amount misappropriated was Rs. 4,280/- and not Rs. 4,000/- as stated by the petitioner in the Claim Statement. The allegation of the petitioner that the enquiry was not conducted in accordance with the principles of natural justice is not correct.

5. The petitioner has filed rejoinder denying the allegations in the Counter Statement and also reiterating his case in the Claim Statement.

6. The evidence in the case consists of oral evidence of WW1 and MW1 and documents marked as Ext.W1 to Ext.W15 and Ext.M1 to Ext.M7.

7. The points for consideration are:

- (i) Whether the action of the Respondent in terminating the service of the petitioner is legal and justified?
- (ii) What if any is the relief to which the petitioner is entitled?

#### **The Points**

8. The petitioner who was working as Gramin Dak Sevak Branch Post Master in Kumbaram Branch Office was terminated from service for certain irregularities allegedly committed by him. He has raised the dispute challenging the order of termination.

9. Ex.W1 is the charge memo served on the petitioner specifying the charges of irregularities committed by him. The first charge against him is that he had fraudulently withdrawn Rs. 500/- on 31.05.1989, Rs. 3,000/- on 20.06.1989 and another Rs. 500/- on 24.07.1989 from the account held by one Ganesan by forging the signature of Ganesan who was abroad. The second charge against the petitioner is that he had not accorded credit of Rs. 25/- collected from Poomayil, W/o Ganesan for deposit in the account of Ganesan. The third charge is that he opened the account in the name of one Muthammal belatedly though he had received the amount of Rs. 60/- from her much earlier and has not credited Rs. 255/- collected from her on various dates prior to 19.07.1989. In the statement of imputation of misconduct in support of Articles of Charge it is stated

that the petitioner had obtained the Pass Book in the name of Ganesan from his wife Poomayil on the pretext of making entry of interest without handing over receipt. The withdrawals from the account of Ganesan are said to have been made taking advantage of the unauthorized custody of the Pass Book by him. The amount of Rs. 25/- was entrusted by Poomayil to the petitioner for deposit in her husband's account but the petitioner is said to have failed to credit the amount. Regarding the third charge it is stated that Muthammal had entrusted the duly filled up account opening form along with Rs. 60/- for opening the account but the petitioner failed to open the account. Without knowing this, Muthammal had been entrusting amounts with him on different occasions for crediting in her account, the total amount being Rs. 255/-. Only when Muthammal pressed for Pass Book the petitioner opened the account showing Rs. 60/- as credited to the account but he has not credited Rs. 255/- subsequently collected on different occasions.

10. Though the petitioner had produced 15 documents and the Respondent 7 documents, most of the documents which are relevant for adjudication are not produced by either side. The Charge Memo is produced by both sides and the enquiry report is produced by the Respondent. However, the documents and evidence that form part of the enquiry proceedings are not produced. The enquiry report reveals that the management had examined 6 witnesses and had exhibited 20 documents in the enquiry proceedings. On the petitioner's side 4 witnesses are seen examined and 2 documents are seen marked also. However, none of these are produced before this Tribunal. Since these were found not available in records, the case was re-opened suo moto and direction was given to produce these. Even though the case was repeatedly postponed these were not produced. So this Tribunal is constrained to dispose the case on the basis of the charge memo and the enquiry report alone.

11. The Enquiry Officer has entered a finding that all the three charges leveled against the petitioner are proved. So far as the first charge is concerned the Enquiry Officer has based his findings on the evidence given by Ganesan, the account holder, his wife Poomayil and also the Investigating Officer mainly along with the relevant documents. The Enquiry Officer has relied upon the admission said to have been made by the Petitioner before the Investigating Officer also. As seen from the gist of evidence given by the Enquiry Officer in his report Ganesan the account holder has asserted that he had been abroad during the period and he had not either withdrawn or authorized withdrawal of any amount during the period. Poomayil, W/o Ganesan seems to have stated before the Investigating Officer that the Pass Book in the name of Ganesan was obtained by the petitioner for the purpose of making entry of the interest. Her statement has been marked in the enquiry proceedings and she was cross-

examined based on the statement. She seems to have asserted what she has stated in the statement during her cross-examination, the statements were recorded by SW6 who was the Investigating Officer. He has identified the documents that were produced before the Enquiry Officer. He has further stated that the withdrawals were admitted by the petitioner. The statement containing the admission of the petitioner also is seen marked in the enquiry proceedings.

12. Based on the available evidence, the Enquiry Officer has come to the conclusion that the receipts prepared at the time of withdrawal from the deposit of Ganesan were not given to the messenger or depositor of the Pass Book. He has also concluded that when the depositor was abroad he did not authorize anybody to withdraw any amount from his account and it would not have been possible for the depositor to withdraw any amount from his account. The Enquiry Officer has also referred to the fact that there was no necessity for the petitioner to obtain the Pass Book and keep it unauthorizedly.

13. The Enquiry Officer has also relied upon the evidence that the petitioner has admitted that he has withdrawn amount. SW2 an official of the Post Office who was examined to prove the admission said to have been made by the petitioner seems to have retracted and stated that the admission was made because of threat. He was found to be giving false evidence. SW6, the Investigating Officer has stated that he was present when admission was made by the petitioner and there was no coercion or threat in getting the statement. The petitioner himself seems to have been very much aware that Ganesan the account holder was abroad during the period of the transactions involved. He has stated so in his statement given to the Investigating Officer. It was taking all these aspects into account the Enquiry Officer has given the finding that the charge of withdrawal of amount from the account of Ganesan is proved. No materials are available to show that there is any circumstance which will militate against this conclusion.

14. Regarding the second charge the Enquiry Officer has mainly relied upon the evidence given by Poomayil examined as SW1. She has stated during her examination that Rs. 25/- has been entrusted to the petitioner to be credited in the account of Ganesan. As found by the Enquiry Officer there was no reason to disbelieve the evidence given by the witness. The Enquiry Officer has taken into account the admission made by the petitioner also to come to the finding that the second charge also is proved. There is no need to interfere with this finding also.

15. So far as the third charge is concerned the Enquiry Officer has relied upon the evidence given by SW6 that he has recorded the statement of Muthammal who had entrusted amount and account opening form filed-up and

given to the petitioner. However, Muthammal is not seen examined. The Enquiry Officer has mainly relied upon the admission made by the petitioner regarding receipt of amount from Muthammal. He seems to have admitted that he had opened the account belatedly and had not credited the amounts subsequently paid for deposit in the account. The Enquiry Officer has also taken into account the fact that the petitioner himself has remitted the entire amount after his misconducts were detected. Even regarding this charge, in spite of non-examination of the concerned person, there is no reason to interfere with the finding in the absence of any material for the same. The Enquiry Officer has mainly relied upon the admission made by the petitioner in this respect. The deposition of the witnesses who have given evidence regarding the statement containing the admission taken by the Investigating Officer being not available it is not possible to assess the evidence to find out whether the Enquiry Officer has correctly assessed the evidence or not. So there is no reason to interfere with the finding on the third charge also.

16. The petitioner was working in a position which requires utmost faith. He had been meddling with the money that came to his hand as a responsible Officer who is dealing with the money of the public. He has broken the faith that has been reposed on him. It was taking this fact also into account that the punishment of termination from service was imposed on the petitioner. So there is no necessity to interfere with the punishment also. The petitioner is not entitled to any relief.

17. For the foregoing reasons, the reference is answered against the petitioner.

An award is passed accordingly.

#### AWARD

The Central Government, Ministry of Labour & Employment vide its Order No. L-40012/87/2010-IR (DU) dated 31.03.2011 referred the following Industrial Dispute to this Tribunal for adjudication.

The schedule mentioned in that order is :

“Whether the action of the management of Superintendent of Post Offices, Ramanathapuram in terminating the services of their workman, Sri P. Arumugam w.e.f. 17.11.2006 is legal and justified? What relief the workman is entitled to?”

2. After receipt of the Industrial Dispute this Tribunal has numbered it as ID 31/2011 and issued notices to both sides. Both sides entered appearance through their counsel and filed claim and counter statement respectively. The

petitioner has filed rejoinder in answer to the Counter Statement.

3. The averments in the Claim Statement filed by the petitioner in brief are as below:

The petitioner was working as Gramin Dak Sevak Branch Post Master (GDS-BPM) Goombara Post Office. The Sub-Divisional Inspector (Posts) Ramanathapuram Sub-Division placed the petitioner under off-duty w.e.f. 19.12.2001. After putting him off-duty for more than two years a charge sheet dated 10.10.2005 was served on him, four years after the date of alleged incident. An enquiry was conducted against the petitioner consequent to the order of Central Administrative Tribunal (CAT). The enquiry was conducted in violation of principles of natural justice and also in violation of Rule-10 of GDS (Conduct and Employment) Rules. The Enquiry Officer has found that all the five charges against the petitioner are proved. Though the petitioner had submitted his reply to the enquiry report the petitioner was dismissed from service by order dated 17.11.2006. The appeal filed by the petitioner against the order of dismissal was rejected. The dispute is raised accordingly. There is no justification for the punishment imposed on the petitioner. The petitioner is entitled to be reinstated in service with continuity of service, back wages and other attendant benefits.

4. The Respondent has filed Counter Statement contending as follows

The petitioner was appointed as Gramin Dak Sevak Branch Post Master, Kumbaram Branch Office w.e.f. 18.06.1991. While working as such he had committed financial irregularities in SB Accounts and Money Order payment to the tune of Rs. 10,000/-. He was placed under off-duty by the Inspector of Posts by order dated 19.12.2001 and this order was ratified by the Respondent. The Inspector of Posts, Ramanathapuram Sub-Division visited Kumbaram Branch Post Office on 19.12.2001 to enquire into the complaint from Senthil Raja, Gramin Dak Sevak, Mail Deliverer, Kumbaram Branch Post Office alleging forged and fraudulent payment of money orders by the petitioner. On verification of records of the branch post office the Inspector found one foil portion of pay in slip dated 09.11.2000 for a deposit of Rs. 1,000/- by one Sethumuthu inside the personal diary of the petitioner. On enquiry, the petitioner admitted that he had received Rs. 1,000/- from the said Sethumuthu on 09.11.2000 to open an SB Account but did not open the account and had repaid Rs. 500/- to the depositor. The petitioner was placed under off duty as per the rules. The petitioner had also forged payment of old age pension money orders. The relevant money order vouchers were sent to handwriting experts and opinion was received against the petitioner. Charge Sheet was issued against the petitioner on the basis of this. An enquiry was conducted against the petitioner on the charges leveled against him and he was found guilty of all

the charges. Accordingly, the petitioner was dismissed from service. It is not correct to state that the enquiry was not conducted in accordance with the principles of natural justice. The petitioner is not entitled to any relief.

5. In the rejoinder submitted, the petitioner has denied the allegations in the Counter Statement and also reiterated his case in the Claim Statement.

6. The evidence in the case consists of oral evidence of WW1 and MW1 and documents marked as Ext.W1 to Ext.W9 and Ext.M1 to Ext.M9.

7. The points for consideration are:

- (i) Whether the action of the Respondent in terminating the service of the petitioner is legal and justified?
- (ii) What if any is the relief to which the petitioner is entitled?

### **The Points**

8. The petitioner who was working as Gramin Dak Sevak Branch Post Master at Kumbaram Post Office was placed under off-duty consequent to certain allegations of misappropriation against him. A Charge Sheet was served on him and enquiry was conducted on the charges, the Enquiry Officer having found all the charges proved, the petitioner was dismissed from service by order dated 17.11.2006. Ex.W1 is the charge sheet served on the petitioner leveling five charges as per the annexure to the charge sheet. The charges are as below:

### **Article-I**

9. That the said Sri Arumugam while working as GDSBPM, Kumaram PO had accepted Rs. 2,000/- from Smt. A. Kanakkamal, Daughter of Andy, Kumbaram during October, 2001 for deposit in her SB A/c No. PTM 7404102 but had not made entries in the Pass Book and had not brought the amount into Post Office accounts, violating Rule-131(3) of Chapter-VII of Rules for Branch Offices and thereby had failed to maintain absolute integrity and devotion to duty as required by him under Rule-21 of DOPGDS (Conduct and Employment) Rules, 2001.

### **Article-II**

10. That the said Arumugam had accepted Rs. 1,000/- from Sethumuthu on 09.11.2000 for opening a new Savings A/c in her name but had failed to do so and failed to bring the amount into Post Office accounts violating Rules-129 (1&2) and Rule-130 (1&2) of Chapter-VII of Rules for Branch Offices and thereby had failed to maintain absolute integrity and devotion to duty as required by him.

### **Article-III**

11. That the said Arumugam had treated the OAP MO No. 2243/1092 dated 13.09.2001 of Ramanathapuram Bazar SO for Rs. 200/- payable to Smt. Karupayee and remitted by Tahsildar, Ramanathapuram as paid on 18.09.2001

without obtaining the LTI of the payee in the MO form and without actually paying the value of the amount to the payee on 18.09.2001 and thus contravenes the provisions of Rule-106 and Note 1 and 2 there under of Branch Office Rules and thereby failed to maintain absolute integrity and devotion to duty as required.

### **Article-IV**

12. That Sri Arumugam had treated OAPMO No. 3999/153 dated 08.09.2001 for Rs. 200/- payable to Smt. Nagavalli and remitted by Tahsildar, Ramanathapuram as paid on 18.09.2001 without actually obtaining the LTI of the payee in the MO form and without actually paying the value of amount to the payee and thus contravened the provisions of Rule-106 and Note 1 and 2 there under of Branch Office Rules and thereby failed to maintain absolute integrity and devotion to duty as required of him.

### **Article-V**

13. The at the said Arumugam had treated OAP MO No. 3582/1029 dated 07.11.2001 for Rs. 200/- payable to Smt. Rakkamal as paid on 15.11.2001 without actually obtaining the LTI of the payee in the MO form and without paying the value of the amount to the payee and thus contravened the provisions of Rules-16 and Note 1 & 2 thereunder of Branch Office rules and thereby failed to maintain absolute integrity and devotion to duty as required of him.

14. Statement of imputations of misconduct are also attached to the charge sheet as Annexure-2. On the basis of the charges leveled enquiry was conducted against the petitioner. As seen from the enquiry report marked as Ext.W4 the Management had examined eight witnesses and the petitioner examined himself on his side also. 41 documents are seen exhibited on the side of the Management and one document on the side of the petitioner. However, neither the copies of depositions of witnesses or copy of the documents are produced before this Tribunal to have an effective adjudication of the dispute. The petitioner was given opportunity to produce these relevant documents which are part of the enquiry file even by suo-moto reopening the case which has been posted for orders. In spite of repeated postponements for production of documents, they were not produced. In the absence of the above documents, the only material available before this Tribunal are the enquiry report and the charge sheet itself.

15. In spite of the above constraint, on going through the enquiry report, I find that enquiry has been conducted properly, in accordance with the principles of natural justice, giving sufficient opportunity to the petitioner to defend the case of the Management and to present his case also. I do not find any merit in the contention advanced in the Claim Statement that the enquiry was not conducted in accordance with the principles of natural justice.

16. It could be seen from the enquiry report that each article of charge are dealt with separately by the Enquiry Officer. The first charge against the petitioner is that he had accepted Rs. 2,000/- from one Kanakammal for deposit in her savings account but had failed to make the entries in the Pass Book or to bring the amount into the Post Office accounts. It is seen from the enquiry report that Kanakammal who is said to have entrusted amount with the petitioner for depositing in her account has been examined as SW1. The enquiry report reveals that this witness has stood by the statement that was given by her during investigation in the matter. The Enquiry Officer has rightly relied upon the evidence of this rustic woman to enter a finding against the petitioner. There was no entry in the Pass Book of Kanakammal regarding the deposit. The petitioner seems to have subsequently credited the amount admitting his acceptance of amount from the depositor. No material has been brought to my notice to enter a finding against the one given by the Enquiry Officer on Charge No. 1.

17. The second charge against the petitioner is that he accepted Rs. 1,000/- from one Sethumuthu on 09.11.2000 for opening a new Savings Account but failed to do so. Sethumuthu the woman in question has been examined as SW2 in the enquiry proceedings. She has given evidence that she had entrusted the amount with the petitioner and that subsequently the petitioner had given back Rs. 500/- to her. This witness has identified the application for opening a Savings Bank Account and the pay-in-slip dated 09.11.2000 for Rs. 1,000/-. She had deposed that she was not given the Pass Book even when she had obtained Rs. 500/- towards withdrawal of part of the amount deposited by her.

18. It is seen from the enquiry report that the petitioner had admitted to have accepted the amount of Rs. 1,000/- from Sethumuthu. The relevant documents which were identified by Sethumuthu were produced in the enquiry proceedings. The petitioner seems to have credited the amount later also. The Enquiry Officer has concluded from the foil that was produced that the petitioner has put his signature on the foil with the date 09.11.2000 thus showing that he has received the amount on the said date but has yet failed to open the account in the name of Sethumuthu. There is nothing to militate the finding of the enquiry officer in this respect also.

19. The next three charges alleged against the petitioner are of same nature. Money orders were sent to the Post Office for payment towards Old-Age Pension to different persons, all of the amount of Rs. 200/-. The petitioner is said to have treated these amounts as paid to the beneficiaries even though he had not made payment to them but misappropriated them. The three women viz. Karupayee, Nagavalli and Rakammal who were to have received the Old-Age Pensions have given evidence as

SW3, SW4 and SW5 respectively. All of them have stated that they have not received pension amount during the period in question. Senthil Raja examined as the sixth witness who was the GDS/ND of Kumbaram Branch Office is the one who made the complaint against the petitioner. The petitioner seems to have manipulated as if the Money Orders were entrusted with Senthil Raja for disbursal to the beneficiaries. The specimen signatures of Senthil Raja, the petitioner and the beneficiaries were obtained during investigation and sent for expert opinion. It could be seen from the report that the thumb impressions shown in the Money Order forms as that of the beneficiaries were found to be not put by them. It did not belong to Senthil Raja also. On the other hand, the writing in the signature against column for witness were found to be in the hand of the petitioner. Thus the expert opinion coupled with the evidence given by the concerned pensioners established charges 3 to 5 against the petitioner also. Thus it could be seen that the Enquiry Officer had sufficient material to come to a finding against the petitioner and his report against the petitioner is fully justified.

20. The petitioner was sitting in a position which required utmost faith. He being the Branch Post Master, he was expected to deal with the financial transactions of the branch. He was working in a village where most of the account holders / customers were illiterate. As could be seen from the charges, the petitioner had been targeting old illiterate women for his misdeeds and had been trying to rob them of their small savings or pension amounts due to them. He was certainly not entitled to continue in service because of the misconducts proved against him. The dismissal from service as a punishment against him has every justification. I do not find any necessity to interfere with the punishment imposed on the petitioner also.

21. In view of my discussion above, the petitioner is not entitled to any relief. The reference is answered against the petitioner.

An award is passed accordingly.

**AWARD**

Passed on-- 4.12.2014

Vide Order No.L-42012/116/2009-IR(DU), dated 3.3.2010 the Central Government in exercise of the powers conferred by Clause (d) of sub-section (1) and sub-section 2(A) of Section 10 of Industrial Disputes Act, 1947 (in short Act) has referred the following industrial dispute for adjudication to this Tribunal.

“Whether the action of the management of M/s. AKS Engineers & Contractors, in terminating the services of their workman Sh. Shankar Dass Verma w.e.f. 29.8.2008 is legal and justified? If not, what relief the workman is entitled to?”

In response to the notice, the workman appeared and submitted statement of claim pleading that respondent No.1 is constructing a dam known as “Koldam Hydro Electric Power Project” at Harmoda. Respondent No.2 is its main contractor who engaged respondent No.3 as sub-contractor. The workman was appointed through respondent No.3 as Senior Excavator Operator and he served from 9.8.2004 to 3.9.2008 when his services were retrenched. His last pay was Rs.4600/- per month. It is pleaded that the persons junior to him were retained in service as well as new persons were appointed after his retrenchment, and as such, there is a violation of the provisions of the Act. That the management retrenched the services of the workman without obtaining permission from the appropriate Government. Thus the termination of the services of the workman is illegal and he is to be reinstated in service.

Respondent No.3 was proceeded against ex parte.

Respondent No.1 filed written statement pleading that workman was never its employee.

Respondent No.2 pleaded in its written statement that workman worked with respondent No.3 intermittently. That his services were retrenched due to partial completion of the work as per law. That no person junior to him was retained in service or any fresh recruitment was made.

Parties were given opportunity to lead their evidence.

The workman availed several opportunities but failed to lead any evidence. Consequently last opportunity was given to the workman to prove its evidence on 13.11.2014. On that day again, no evidence of the workman was present. There was no justification for further adjournment and therefore the same was declined.

Respondent No.1 and 2 made separate statements not to lead any evidence.

I have heard Sh. M.S. Gorsie for the workman, Sh. V.P. Singh counsel for respondent No.1 and Sh. H.R. Sharma, Law Officer for respondent No.2.

It is admitted case that the services of the workman were retrenched. The case of the workman is that the persons junior to him were retained in service when he was retrenched. But there is no evidence that any person junior to the workman was retained in service. Again, according to the workman persons were employed by the management after the termination of his services but the workman did not lead any evidence to prove that the management recruited any person after his retrenchment. As stated above, the workman did not lead any evidence in support of his case and thus it cannot be said that there was violation of any provisions of the Act and the termination of the services of the workman cannot be termed as illegal.

In result, the reference is answered against the workman and he is not entitled to any relief. Let hard and

soft copy of the award be sent to the Central Government for further necessary action.

#### AWARD

Passed on : 4.12.2014

Vide Order No.L-42012/45/2010-IR(DU), dated 12.5.2010 the Central Government in exercise of the powers conferred by Clause (d) of Sub-Section (1) and Sub-Section 2(A) of Section 10 of Industrial Disputes Act, 1947 (in short Act) has referred the following industrial dispute for adjudication to this Tribunal.

“Whether the action of the management of M/s. AKS Engineers & Contractors, a sub contractor of M/s Italian Thai Development Public Co. Ltd of NTPC, Kol dam in terminating the services of Sh. Baldev Singh w.e.f. 3.9.2008 is legal and justified? If not, what relief the workman is entitled to?”

In response to the notice, the workman appeared and submitted statement of claim pleading that respondent No.1 is constructing a dam known as “Koldam Hydro Electric Power Project” at Harmoda. Respondent No.2 is its main contractor who engaged respondent No.3 as sub-contractor. The workman was appointed through respondent No.3 as unskilled workman and he served from 24.8.2004 to 3.9.2008 when his services were retrenched. His last pay was Rs.3600/- per month. It is pleaded that the persons junior to him were retained in service as well as new persons were appointed after his retrenchment, and as such, there is a violation of the provisions of the Act. That the management retrenched the services of the workman without obtaining permission from the appropriate Government. Thus the termination of the services of the workman is illegal and he is to be reinstated in service.

Respondent No.3 was proceeded against ex parte.

Respondent No.1 filed written statement pleading that workman was never its employee.

Respondent No.2 pleaded in its written statement that workman worked with respondent No.3 intermittently and his last pay was Rs.2850/- per month. That his services

were retrenched due to partial completion of the work as per law. That no person junior to him was retained in service or any fresh recruitment was made.

Parties were given opportunity to lead their evidence.

The workman availed several opportunities but failed to lead any evidence. Consequently last opportunity was given to the workman to prove its evidence on 13.11.2014. On that day again, no evidence of the workman was present. There was no justification for further adjournment and therefore the same was declined.

Respondent No.1 and 2 made separate statements not to lead any evidence.

I have heard Sh. M.S. Gorski for the workman, Sh. V.P. Singh counsel for respondent No.1 and Sh. H.R. Sharma, Law Officer for respondent No.2.

It is admitted case that the services of the workman were retrenched. The case of the workman is that the persons junior to him were retained in service when he was retrenched. But there is no evidence that any person junior to the workman was retained in service. Again, according to the workman persons were employed by the management after the termination of his services but the workman did not lead any evidence to prove that the management recruited any person after his retrenchment. As stated above, the workman did not lead any evidence in support of his case and thus it cannot be said that there was violation of any provisions of the Act and the termination of the services of the workman cannot be termed as illegal.

In result, the reference is answered against the workman and he is not entitled to any relief. Let hard and soft copy of the award be sent to the Central Government for further necessary action.

#### AWARD

Passed on : 4.12.2014

Vide Order No.L-42012/57/2010-IR(DU), dated 10.8.2010 the Central Government in exercise of the powers conferred by Clause (d) of Sub-Section (1) and Sub-Section 2(A) of Section 10 of Industrial Disputes Act, 1947 (in short Act) has referred the following industrial dispute for adjudication to this Tribunal.

“Whether the action of the management of M/s AKS Engineers & Contractors, a contractor engaged by NTPC Koldam Hydro Electric Power Project, Bilaspur (HP) in terminating the services of their workman Sh. Balbir Singh w.e.f. 29/08/2008 is legal and justified? If not, what relief the workman is entitled to?”

In response to the notice, the workman submitted statement of claim pleading that respondent No.1 is the principal employer who is engaged for the construction of ‘Kol Dam Hydro Electric Power Project’ at Harmoda and has given contract to respondent No.2 who in turn engaged respondent No.3 as its sub-contractor. The workman was engaged by respondent No.3 on 5.4.2005 where he worked till 3.9.2008 when his services were retrenched.

Workman has challenged the retrenchment on the ground that the persons junior to him were retained in service and the management also appointed large number of workers on the project after his retrenchment. It is also pleaded that the management did not take permission from the appropriate Government for effecting the retrenchment and as such the retrenchment is illegal and he is deemed to be in service.

The claim was contested by the NTPC i.e. respondent No.1 as well as by the Italian Thai Development Co. Ltd. who has been impleaded as respondent No.2, whereas M/s AKS Engineers and Contractors who is impleaded as respondent No.3 was proceeded against ex parte.

Respondent No.1 filed written statement controverting the averments and pleaded that workman was never its employee and even not engaged by it.

Respondent No.2 in its separate written statement pleaded that workman was engaged by respondent No.2 who retrenched his services on partial completion of work after paying him Rs.2850/- in lieu of notice period and retrenchment compensation. That work is not perennial in nature. That the retrenchment is legal.

Parties were given opportunities to lead their evidence.

In support of its case the workman has appeared in witness box and filed his affidavit reiterating the case as set out in the claim petition.

On the other hand Sh. Pankaj Kumar and Sh. H.R. Sharma, appeared on behalf of respondent No.1 and 2 and filed their affidavits reiterating the stand taken up in the respective written statements.

I have heard Sh. M.S. Gors, counsel for the workman, Sh. V.P. Singh, counsel for respondent No.1 and Sh. H.R. Sharma for respondent No.2.

It was argued by Mr. M.S. Gors, learned counsel for the workman that there is an un rebutted statement of the workman to the effect that persons junior to the workman were retained in service at the time of his retrenchment as well the management employed several persons after the retrenchment and therefore the retrenchment of the workman is illegal.

I have considered the contention of the learned counsel.

The workman has deposed in his affidavit that the persons junior to him were retained in service and the management also employed more persons after his retrenchment. But he did not name the persons who were junior to him and were retained in service at the time of his retrenchment. Again he did not name the persons who were employed by the management after retrenchment. The workman was required to prove the said facts by

leading cogent evidence in order to claim the relief and his bare statement that the persons junior to him were retained in service and the management employed more persons after his retrenchment do not carry any weight in the absence of any documentary and other convincing evidence on the file. Therefore it cannot be said that the persons junior to the workman were retained in service or more persons were employed by the management after his retrenchment and there is any violation of Section 25G and 25H of the Act. Rather the statement of Sh. H.R. Sharma shows that workman was paid due compensation as required under Section 25F of the Act at the time of effecting the retrenchment and the same was to be effected on account of partial completion of the work.

In result, it is held that action of the respondent No.2 in terminating the services of the workman is legal and the workman is not entitled to any relief and the reference is answered against him. Let hard and soft copy of the award be sent to the Central Government for further necessary action.

Passed on : 4.12.2014

Vide Order No.L-42012/79/2011 (IR(DU)), dated 14.10.2011 the Central Government in exercise of the powers conferred by Clause (d) of Sub-Section (1) and Sub-Section 2(A) of Section 10 of Industrial Disputes Act, 1947 (in short Act) has referred the following industrial dispute for adjudication to this Tribunal.

“Whether the action of the management of M/s AKS Engineers & Contractors, a sub contractor of NTPC, in dismissing the services of Sh. Jagdish Kumar, Ex-Dumper Operator S/o Sh. Jamnu Ram w.e.f. 5/7/2008 while working at Kol Dam Hydro Project of NTPC, is

legal and justified? What relief the workman is entitled to?"

In response to the notice, the workman appeared and submitted statement of claim pleading that respondent No.3 is constructing a dam known as "Koldam Hydro Electric Power Project" at Harmoda. Respondent No.2 is its main contractor who engaged respondent No.1 as sub-contractor. The workman was appointed through respondent No.1 as Dmper Operator and he joined the services on 12.8.2004 where he worked till 5.7.2008 when his services were retrenched in violation of the provisions of the Act as the persons junior to him were retained in service as well as new persons were appointed without calling him. Since his retrenchment is illegal, he is to be reinstated in service.

Respondent No.1 was proceeded against ex parte.

Respondent No.3 filed written statement pleading that workman was never its employee.

Respondent No.2 pleaded in its written statement that workman worked with respondent No.1 intermittently and his last pay was Rs.3605/- per month. That his services were retrenched due to partial completion of the work as per law. That no person junior to him was retained in service or any fresh recruitment was made.

Parties were given opportunity to lead their evidence.

The workman availed several opportunities but failed to lead any evidence. Consequently last opportunity was given to the workman to lead its evidence on 13.11.2014. On that day again, no evidence of the workman was present. There was no justification for further adjournment and therefore the same was declined.

Respondent No.2 and 3 made separate statements not to lead any evidence.

I have heard Sh. M.S. Gorsie for the workman, Sh. V.P. Singh counsel for respondent No.3 and Sh. H.R. Sharma, Law Officer for respondent No.2.

It is admitted case that the services of the workman were retrenched. The case of the workman is that the persons junior to him were retained in service when he was retrenched. But there is no evidence that any person junior to the workman was retained in service. Again, according to the workman persons were employed by the management after the termination of his services but the workman did not lead any evidence to prove that the management recruited any person after his retrenchment. As stated above, the workman did not lead any evidence in support of his case and thus it cannot be said that there was violation of any provisions of the Act and the termination of the services of the workman cannot be termed as illegal.

In result, the reference is answered against the workman and he is not entitled to any relief. Let hard and

soft copy of the award be sent to the Central Government for further necessary action.

#### AWARD

Passed on- 8.12.2014

Central Government vide Notification No. L-40012/114/2002-IR(DU) Dated 8.10.2002, by exercising its powers under Section 10, Sub-section (1) Clause (d) and Sub-section (2-A) of the Industrial Disputes Act, 1947 (hereinafter referred to as 'Act') has referred the following Industrial dispute for adjudication to this Tribunal:-

"Whether the action of the General Manager Telecom, BSNL, Pathankot, in terminating the services of Sh. Rakesh Kumar S/o Sh. Harnam Singh w.e.f. 19.9.2001 is legal and just. If not, what relief the workman is entitled to and from which date?"

In response to the notice, the workman appeared and submitted statement of claim pleading that he was engaged on daily wage basis and posted with Deputy General Manager, Pathankot, where he served from May, 1999 to 19.9.2001. He had been working as lorry driver and has completed 240 days of continuous service. That his services were to be regularized as per instructions issued from time to time but his services were terminated without payment of compensation and service of notice. That the management has also violated Section 25N and 25T of the Act. That he is entitled to be reinstated in service.

Respondent management filed written reply pleading that workman was engaged as a casual mazdoor on need basis. However his services were also utilized as lorry driver as and when required. That he did not continuously work from May, 1999 to 19.9.2001 and he worked for the period as detailed below:

Sr. No.	Period during which the workman was engaged	Total	Remarks
1.	May, 1999	7 days	
2.	June, 1999	29 days	
3.	July, 1999	31 days	
4.	August, 1999	23 days	150 days
5.	Sep., 1999	8 days	
6.	Oct., 1999	22 days	

7.	Nov., 1999	9 days	
8.	Dec, 1999	21 days	
1.	Jan, 2000	Nil	
2.	Feb, 2000	10 days	
3.	March, 2000	20 days	
4.	April, 2000	11 days	
5.	May, 2000	19 days	
6.	June, 2000	12 days	165 days
7.	July, 2000	18 days	
8.	Aug, 2000	Nil	
9.	Sep, 2000	14 days	
10.	Oct, 2000	30 days	
11.	Nov, 2000	15 days	
12.	Dec, 2000	16 days	
1.	Jan, 2001	31 days	
2.	Feb, 2001	13 days	
3.	March, 2001	16 days	
4.	April, 2001	30 days	104 days
5.	May, 2001	14 days	
6.	June, 2001	Nil	
7.	July, 2001	Nil	
8.	Aug, 2001	Nil	
9.	Sep, 2001	Nil	

His services were dispensed with on 20.5.2001 when a regular person was posted against a vacant post. He cannot claim regularization of his services as he was never appointed as per rules of the department. Since he did not complete 240 days of service in any calendar year, there is no violation of any provision of the law.

Parties were given opportunities to lead its evidence.

In support of its case the workman appeared in the witness box and filed his affidavit reiterating the stand taken in the statement of claim.

On the other hand the management has examined Kuldeep Singh, who filed his affidavit reiterating the stand of the management as stated in the written statement.

I have heard Sh. S.K. Gupta, counsel for the workman and Sh. Anish Babbar, counsel for the management.

It was argued by the learned counsel for the workman that the workman was employed on daily wage basis and he worked continuously from May, 1999 to 19.9.2001 and also worked as a lorry driver; and instead of regularizing his services as per instruction of the department, his

services were illegally terminated on 19.9.2001 and in violation of the provisions of the Act and that too without payment of any compensation to him and he is to be reinstated in service.

I have considered the contention of the learned counsel.

The fact that the workman was employed on daily wage basis is not denied. According to the workman he continuously worked from May, 1999 to 19.9.2001 and thus completed 240 days of continuous service in a calendar year. It was for the workman to prove the said fact by leading cogent evidence on the file. No doubt the workman has mentioned in his affidavit that he worked continuously from May, 1999 to 19.9.2001. But no documentary evidence has come on the file to prove the said fact. The workman himself has given a suggestion to Kuldeep Singh, a witness of the management that workman was engaged under different names and payment was also made to him under different names. When it was so, how the workman can claim that he continuously worked for the period in question. There is unrebutted statement of Kuldeep Singh that the workman worked only for 150 days in 1999, 165 days in 2000 and 104 days in 2001 as reproduced above and his statement remains unchallenged on the file. In view of his statement, it cannot be said that the workman completed 240 days of continuous service in a calendar year prior to the termination of his service. It is an admitted case that he was engaged on daily wage basis and when he did not complete 240 days of continuous service in any calendar year prior to termination of his service, it cannot be said that there was violation of any provisions of the Act. Again there is nothing on the file to suggest that he was entitled to regularization of his service as per any instructions of the department as no such record has been produced/proved on the file.

In result, it cannot be said that the services of workman who was engaged on daily wage basis was terminated and he is not entitled to any relief and the reference is accordingly answered against the workman. Let hard and soft copy of the award be sent to Central Government for further necessary action.

Passed on- 4.12.2014

Central Government vide Notification No. L-14012/2/2004-IR(DU) Dated 15.9.2006, by exercising its powers under Section 10 Sub-section (1) Clause (d) and Sub-section (2-A) of the Industrial Disputes Act, 1947 (hereinafter referred to as 'Act') has referred the following Industrial dispute for adjudication to this Tribunal:-

“Whether the action of the management of Commandant, Ammunition Depot, Bathinda Cantt, Bathinda in terminating the services of their workman Sh. Nirmal Singh w.e.f. 31.1.2001 is legal and justified? If not, to what relief the workman concerned is entitled to?”

In response to the notice, workman appeared and submitted statement of claim pleading that he was kept in service on 21.9.1999 on permanent basis and his services were illegally terminated on 31.1.2001 without paying him

any retrenchment compensation and even the management employed more persons after the termination of his services. His termination is in violation of the provisions of the Act and he be reinstated in service.

Management filed written reply pleading that in the year 1999-2000, the Headquarter accorded approval for hiring casual labourer on the basis of the work at hand vide letter dated 8.7.1999 and again vide letter dated 26.7.1999. The casual labour was to be employed from 1st September, 1999 to 28th November, 1999, 15th July, 2000 to 13th August, 2000 and again from 1st January, 2001 to 30.1.2001 and the workman was employed as a casual labourer for a specific period and on the expiry of the period, his service automatically stood terminated. In the year 2001, the Depot was allotted regular vacancies of Mazdoors who were recruited after giving advertisement in the newspapers as per rules. That the services of the workman were not retrenched and the management has not contravened any provision of law.

Parties were given opportunity of lead evidence.

In support of its case, the workman appeared in the witness box and filed his affidavit reiterating his case as set out in the claim petition.

On the other hand, the management has examined Major Rajiv Singh, who filed his affidavit reiterating the stand of the management taken in the written statement.

I have heard Sh. Arun Chandra, counsel for the workman and Sh. Sanjeev Sharma, counsel for the management.

It was vehemently argued by the learned counsel for the workman that the workman was appointed on 21.9.1999 on permanent basis and his services were illegally terminated on 31.1.2001 without payment of any retrenchment compensation and further submitted that the department recruited casual labourers after termination of the services of the workman in the year 2001 but did not give him opportunity to serve and thus there is a violation of the provisions of the Act and workman is entitled to be reinstated in service. The learned counsel also carried me through the cross-examination of Major Rajiv Singh and submitted that work for casual labourer is still available and as per his statement the labour is employed only for 89 days to save the department from the provisions of law and in the circumstances, the workman be reinstated in service.

It may be added that workman has come with a definite plea that he was appointed on permanent basis on 21.9.1999 but he did not produce any record to show that his appointment was on permanent basis. According to him, he served from 21.9.1999 to 31.1.2001 but again there is no cogent evidence to prove this fact. No record from the department has been summoned to show that he was actually paid wages for the period in question by the

respondent department. According to the respondent management the workman was appointed only for specific period i.e. from 1st September, 1999 to 28.11.1999 and again from 15th July, 2000 to 13th August, 2000 and then from 1.1.2001 to 30.1.2001. This fact gets corroboration as the department got sanction to employ casual labourer vide letter dated 8.7.1999 (Annexure R1) and 26.7.1999 (Annexure R2) for the said period. In the absence of any documentary proof and other evidence, it cannot be said that the workman was employed on permanent basis and he actually worked continuously from 21.9.1999 to 31.1.2001 and rather the stand taken by the respondent management is taken to be true that he was employed for a specific period as the department accorded sanction for engaging labour as per the said letters stated above. On the expiry of the period for which he was engaged, his services came to an end automatically and the same cannot be termed as 'retrenchment' as defined under the Act.

A lengthy argument was advanced that the department employed labour in the year 2001 but did not give any opportunity to the workman to join the service. This contention is devoid of any force as only the persons who are retrenched from service were to be called by the management whenever it has to employ new persons in the service. Since the workman is not a retrenched employee of the management, he is not entitled to get the benefit of Section 25H of the Act. The cross-examination of Major Rajiv Singh is also of no help to the workman if he has stated that the management employed casual labour only for 89 days to avoid any legal right to the workers as it is not the case of the workman that the management indulged in unfair labour practice. Thus, it cannot be said that there was violation of any provision of the Act and since the services came to an end automatically as discussed above, it cannot be said that services of the workman were terminated and he is not entitled to any relief.

The reference is accordingly answered against the workman. Let hard and soft copy of the award be sent to the Central Government for further necessary action.

#### AWARD

Passed on- 4.12.2014

Central Government vide Notification No. L-14012/1/2004-IR(DU) Dated 15.9.2006, by exercising its powers under Section 10 Sub-section (1) Clause (d) and Sub-section (2-A) of the Industrial Disputes Act, 1947 (hereinafter referred to as 'Act') has referred the following Industrial dispute for adjudication to this Tribunal:-

“Whether the action of the management of Commandant, Ammunition Depot, Bathinda Cantt, Bathinda in terminating the services of their workman Sh. Gurmail Singh w.e.f. 31.1.2001 is legal and justified? If not, to what relief the workman concerned is entitled to?”

In response to the notice, workman appeared and submitted statement of claim pleading that he was kept in service on 21.9.1999 on permanent basis and his services were illegally terminated on 31.1.2001 without paying him

any retrenchment compensation and even the management employed more persons after the termination of his services. His termination is in violation of the provisions of the Act and he be reinstated in service.

Management filed written reply pleading that in the year 1999-2000, the Headquarter accorded approval for hiring casual labourer on the basis of the work at hand vide letter dated 8.7.1999 and again vide letter dated 26.7.1999. The casual labour was to be appointed from 1st September, 1999 to 28th November, 1999, 15th July, 2000 to 13th August, 2000 and again from 1st January, 2001 to 30.1.2001 and the workman was employed as a casual labourer for a specific period and on the expiry of the period, his service automatically stood terminated. In the year 2001, the Depot was allotted regular vacancies of Mazdoors who were recruited after giving advertisement in the newspapers as per rules. That the services of the workman were not retrenched and the management has not contravened any provision of law.

Parties were given opportunity of lead evidence.

In support of its case, the workman appeared in the witness box and filed his affidavit reiterating his case as set out in the claim petition.

On the other hand, the management has examined Major Rajiv Singh, who filed his affidavit reiterating the stand of the management taken in the written statement.

I have heard Sh. Arun Chandra, counsel for the workman and Sh. Sanjeev Sharma, counsel for the management.

It was vehemently argued by the learned counsel for the workman that the workman was appointed on 21.9.1999 on permanent basis and his services were illegally terminated on 31.1.2001 without payment of any retrenchment compensation and further submitted that the department recruited casual labourers after termination of the services of the workman in the year 2001 but did not give him opportunity to serve and thus there is a violation of the provisions of the Act and workman is entitled to be reinstated in service. The learned counsel also carried me through the cross-examination of Major Rajiv Singh and submitted that work for casual labourer is still available and as per his statement the labour is employed only for 89 days to save the department from the provisions of law and in the circumstances the workman be reinstated in service.

It may be added that workman has come with a definite plea that he was appointed on permanent basis on 21.9.1999 but he did not produce any record to show that his appointment was on permanent basis. According to him, he served from 21.9.1999 to 31.1.2001 but again there is no cogent evidence to prove this fact. No record from the department has been summoned to show that he was actually paid wages for the period in question by the

respondent department. According to the respondent management the workman was appointed only for specific period i.e. from 1st September, 1999 to 28.11.1999 and again from 15th July, 2000 to 13th August, 2000 and then from 1.1.2001 to 30.1.2001. This fact gets corroboration as the department got sanction to employ casual labourer vide letter dated 8.7.1999 (Annexure R1) and 26.7.1999 (Annexure R2) for the said period. In the absence of any documentary proof and other evidence, it cannot be said that the workman was employed on permanent basis and he actually worked continuously from 21.9.1999 to 31.1.2001 and rather the stand taken by the respondent management is taken to be true that he was employed for a specific period as the department accorded sanction for engaging labour as per the said letters stated above. On the expiry of the period for which he was engaged, his services came to an end automatically and the same cannot be termed as 'retrenchment' as defined under the Act.

A lengthy argument was advanced that the department employed labour in the year 2001 but did not give any opportunity to the workman to join the service. This contention is devoid of any force as only the persons who are retrenched from service were to be called by the management whenever it has to employ new persons in the service. Since the workman is not a retrenched employee of the management, he is not entitled to get the benefit of Section 25H of the Act. The cross-examination of Major Rajiv Singh is also of no help to the workman if he has stated that the management employed casual labour only for 89 days to avoid any legal right to the workers as it is not the case of the workman that the management indulged in unfair labour practice. Thus, it cannot be said that there was violation of any provision of the Act and since the services came to an end automatically as discussed above, it cannot be said that services of the workman were terminated and he is not entitled to any relief.

The reference is accordingly answered against the workman. Let hard and soft copy of the award be sent to the Central Government for further necessary action.

Vide Order No.L-42012/208/2010-IR(DU), dated 1.4.2011 the Central Government in exercise of the powers conferred by Clause (d) of Sub-Section (1) and Sub-Section 2(A) of Section 10 of Industrial Disputes Act, 1947 (in short Act) has referred the following industrial dispute for adjudication to this Tribunal.

“Whether the action of the management of M/s UR Infrastructure Co. Pvt. Ltd. sub contractor of M/s Italian Thai Development Public Ltd., a contractor of M/s NTPC Ltd. in retrenchment of the services of Sh. Shiv Ram S/o Sh. Amaru Ram w.e.f. 1/8/2008 without following the principle of ‘Last come first go’ is legal and justified? What relief the workman is entitled to?”

In response to the notice, the workman submitted statement of claim pleading that respondent No.3 is the principal employer who is engaged for the construction of ‘Kol Dam Hydro Electric Power Project’ at Harmoda and has given contract to respondent No.2 who in turn engaged respondent No.1 as its sub-contractor. The workman was engaged by respondent No.1 on 16.10.2004 where he worked till 1.8.2008 when his services were retrenched.

Workman has challenged the retrenchment on the ground that the persons junior to him were retained in service and the management also appointed large number of workers on the project after his retrenchment. It is also pleaded that the management did not take permission from the appropriate Government for effecting the retrenchment and as such the retrenchment is illegal and he is deemed to be in service.

The claim was contested by the NTPC i.e. respondent No.3 as well as by the Italian Thai Development Co. Ltd. who have been impleaded as respondent No.2; whereas M/s. U.R. Infrastructures Company Private Ltd., who is impleaded as respondent No.1 was proceeded against ex-parte.

Respondent No.3 filed written statement controverting the averments and pleaded that workman was never its employee and even not engaged by it.

Respondent No.2 in its separate written statement pleaded that workman was engaged by respondent No.1 who retrenched his services on partial completion of work after paying him Rs.2850/- in lieu of notice period and retrenchment compensation. That work is not perennial in nature. That the retrenchment is legal.

Parties were given opportunities to lead their evidence.

The workman availed several opportunities but failed to lead any evidence. Consequently last opportunity was

given to the workman to lead its evidence on 13.11.2014. On that day again, no evidence of the workman was present. There was no justification for further adjournment and therefore the same was declined.

Respondent Nos. 2 and 3 made separate statements for not leading any evidence.

I have heard Sh. M.S. Gors, counsel for the workman, Sh. V.P. Singh, counsel for respondent No.3 and Sh. H.R. Sharma for respondent No.2.

It is admitted case that the services of the workman were retrenched. The case of the workman is that the persons junior to him were retained in service when he was retrenched. But there is no evidence that any person junior to the workman was retained in service. Again, according to the workman persons were employed by the management after the termination of his services but the workman did not lead any evidence to prove that the management recruited any person after his retrenchment. As stated above, the workman did not lead any evidence in support of his case and thus it cannot be said that there was violation of any provisions of the Act and the termination of the services of the workman cannot be termed as illegal.

In result, the reference is answered against the workman and he is not entitled to any relief. Let hard and soft copy of the award be sent to the Central Government for further necessary action.

Passed on- 4.12.2014

Vide Order No.L-42012/285/2010-IR(DU), dated 27.4.2011 the Central Government in exercise of the powers conferred by Clause (d) of Sub-Section (1) and Sub-Section 2(A) of Section 10 of Industrial Disputes Act, 1947 (in short Act) has referred the following industrial dispute for adjudication to this Tribunal.

“Whether the retrenchment of services of Sh. Pawan Kumar S/o Sh. Dila Ram w.e.f. 14/8/2008 by the management of M/s U.R. Infrastructure Company Private Limited, Village Chamb, District Bilaspur a sub-contractor of M/s Italian Thai Development Public Limited a contractor of M/s NTPC Limited without following the principle of ‘Last come first go’ is legal and justified? What relief the workman is entitled to from the above employer?”

In response to the notice, the workman submitted statement of claim pleading that respondent No.3 is the principal employer who is engaged for the construction of ‘Kol Dam Hydro Electric Power Project’ at Harmoda and has given contract to respondent No.2 who in turn engaged respondent No.1 as its sub-contractor. The workman was engaged by respondent No.1 on 16.10.2004 where he worked till 14.8.2008 when his services were retrenched.

Workman has challenged the retrenchment on the ground that the persons junior to him were retained in service and the management also appointed large number of workers on the project after his retrenchment. It is also pleaded that the management did not take permission from the appropriate Government for effecting the retrenchment and as such the retrenchment is illegal and he is deemed to be in service.

The claim was contested by the NTPC i.e. respondent No.3 as well as by the Italian Thai Development Co. Ltd. who has been impleaded as respondent No.2, whereas M/s. U.R. Infrastructure Company Private Limited who is impleaded as respondent No.1 was proceeded against ex parte.

Respondent No.3 filed written statement controverting the averments and pleaded that workman was never its employee and even not engaged by it.

Respondent No.2 in its separate written statement pleaded that workman was engaged by respondent No.1 who retrenched his services on partial completion of work after paying him Rs.2850/- in lieu of notice period and retrenchment compensation. That work is not perennial in nature. That the retrenchment is legal.

Parties were given opportunities to lead their evidence.

In support of its case the workman has appeared in witness box and filed his affidavit reiterating the case as set out in the claim petition.

On the other hand Sh. Pankaj Kumar and Sh. H.R. Sharma, appeared on behalf of respondent Nos. 3 and 2 and filed their affidavits reiterating the stand taken up in the respective written statements.

I have heard Sh. M.S. Gors, counsel for the workman, Sh. V.P. Singh, counsel for respondent No.3 and Sh. H.R. Sharma for respondent No.2.

It was argued by Mr. M.S. Gors, learned counsel for the workman that there is an un rebutted statement of the workman to the effect that persons junior to the workman were retained in service at the time of his retrenchment as well the management employed several persons after the retrenchment and therefore the retrenchment of the workman is illegal.

I have considered the contention of the learned counsel.

The workman has deposed in his affidavit that the persons junior to him were retained in service and the management also employed more persons after his retrenchment. But he did not name the persons who were junior to him and were retained in service at the time of his retrenchment. Again he did not name the persons who were employed by the management after retrenchment. The workman was required to prove the said facts by leading cogent evidence in order to claim the relief and his bare statement that the persons junior to him were retained in service and the management employed more persons after his retrenchment do not carry any weight in the absence of any documentary and other convincing evidence on the file. Therefore it cannot be said that the persons junior to the workman were retained in service or more persons were employed by the management after his retrenchment and there is any violation of Section 25G and 25H of the Act. Rather the statement of Sh. H.R. Sharma shows that workman was paid due compensation as required under Section 25F of the Act at the time of effecting the retrenchment and the same was to be effected on account of partial completion of the work.

In result, it is held that action of the respondent No.2 in terminating the services of the workman is legal and the workman is not entitled to any relief and the reference is answered against him. Let hard and soft copy of the award be sent to the Central Government for further necessary action.

By Order No.L-42011/137/2013-IR(DU) dated 1.02.2014 the Government of India, Ministry of Labour in exercise of its powers under Section 10(1)(d) and (2A) of the industrial Disputes Act, 1947 referred the following dispute to this Tribunal for adjudication:

“Whether the demand of the TCI(Inchek) Shramik Union and Tyre Corporation of India Employees Union submitted in their letter dated 21/9/2012 for revision of wages from 1.4.1997 and 1.4.2007 and fulfillment of charter of demands, in the light of similar wage revisions made in other CPSUs not fulfilled due to acute price rise and financial hardship of the workmen is legal and justified? If not to what relief the workmen are entitled to?”

2. When the case was taken up for hearing on 11.12.2014, none appeared on behalf of either of the parties. It appears from the record that the unions, at whose instance present reference was initiated, never appeared. It also appears from the record that the Organizing

Secretary, Tyre Corporation of India Employees' Union refused to receive the notice of the Tribunal and the office of the General Secretary, TCI(Inchek) Shramik Union has already been closed.

3. Considering the facts and circumstance, it appears that the unions are not at all willing to proceed with the case further. So, no fruitful purpose will be served in keeping the matter pending.

4. In view of the above facts and circumstances, present reference is disposed of by passing a “No Dispute Award”.

Central Government vide Notification No. L-42011/52/2013-IR(DU) Dated 13.8.2013, by exercising its powers under Section 10, Sub-section (I) Clause (d) and Sub-section (2-A) of the Industrial Disputes Act, 1947, (hereinafter referred to as 'Act') has referred the following Industrial dispute for adjudication to this Tribunal:-

“Whether the action of the General Manager, National Fertilizer Ltd. Nangal Unit, Nangal, Distt. Ropar in deducting Rs. 5/- per month on account of Union Fund from the salaries of all the employees/workmen without having their authorization/consent/option working under him on the behest of the President, Nangal Khad Factory Mazdoor Dal (Regd & Recog) is just and legal? To what relief the concerned workmen are entitled to?”

The workers submitted statement of claim to which written reply was filed by the respondent management. The facts emerging from the documents are that there are five registered trade unions including the present Union who preferred the reference as well 'Nangal Khad Factory Mazdoor Dal' who was elected and recognized as such in August, 2012. The management started deducting Rs. 5/- of the members of 'National Fertilizer Worker Union', who preferred the present reference as a letter was written by the 'Nangal Khad Factory Mazdoor Dal', for making such deduction. The members of the 'National Fertilizer Worker Union' had challenged the said deduction on the ground that deduction cannot be made from their salary without their consent and that too merely on account of some letter written by the 'Nangal Khad Factory Mazdoor Dal'. That deductions have been made since 2013 and management be directed to refund the amount and further the deduction if made be declared as unauthorized.

The management filed written reply pleading that it has been deducting the amount as per the letter of recognized Union as per practice and the Union is to spent the amount for the welfare of its members. That the act of the management is legal.

Parties were given opportunity to lead its evidence.

In support of its case Ramesh Kumar and Kulwinder Singh appeared on behalf of the Workers Union and filed their affidavits reiterating the stand as taken in the claim statement.

On the other hand Sh. Vinod Kumar Sharma, appeared on behalf of the management and filed his affidavit

reiterating the stand as taken by the management in the written statement.

I have heard Sh. Ramesh Chopra, counsel, for the workman and Sh. Vinod Kumar Sharma, Senior Executive, for the management.

It is not disputed that the management has been deducting Rs.5/- from the salary of the members of 'National Fertilizer Workers Union' (Regd.) and had started deducting the amount from January, 2013; as letter has been written to it for making the deduction by another Union known as 'Nangal Khad Factory Mazdoor Dal' who came to power in August, 2012. Though it is pleaded that deductions are made as per law but Mr. V. K. Sharma appearing for the respondent management did not show any provisions of law under which the management can deduct any amount from the salary of its workers and that too at the instance of a third party and without the consent of the workers. Mr. V. K. Sharma has referred to certain letters written by the Union for deducting some amount from the salary of the workers, but the same do not have the effect of any law. The management cannot deduct the amount without the consent of the workers and therefore the deduction of Rs.5/- from the salaries of the members of the 'National Fertilizer Workers Union' is unauthorized and the management is liable to refund the amount deducted so far.

In result, it is held that the action of the management deducting Rs. 5/- per month from the salary of the workers of 'National Fertilizer Workers Union' is unauthorized and the management is liable to refund the same to the workers and the reference is accordingly answered in favour of the workers. Let hard and soft copy of the award be sent to the Central Government for further necessary action.

### **AWARD**

The Government of India, Ministry of Labour, in exercise of the powers conferred on them under Sec.10 (1) (d) of the I.D. Act, 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-40012/167/04-IR(DU) dt. 28.04.2005.

### **SCHEDULE**

“Whether the action of the Management of BSNL, Principal General Manager, Telecom District, Patna in terminating the service of workman Sh.Ranjit Kumar (Cable Jointer) in stead of regularizing him on completing 240 days of continuous service in each calendar year for more than 18 years legal and justified? If not, to what relief the workman is entitled to?”

On receipt of the Order No. L-40012/167/04-IR(DU) dt. 28.04.2005 of the above mentioned reference from the Government of India, Ministry of Labour & Employment, New Delhi for adjudication of the dispute, the Reference Case No.50 of 2005 was registered on 31.05.2005 and accordingly an order to that effect was passed to issue notices through the Registered Posts to the parties concerned, directing them to appear in the Court on the date fixed, and to file their written statements along with the relevant documents. In pursuance of the said order, notices by the Registered Posts were sent to the parties concerned.

Both the parties made their appearances and filed their pleadings and photocopies of their documents. The Union and the O.P./Management through their own respective Ld.Counsels appeared in, and contested the case.

2. The case of workman Ranjeet Kumar as stated in his written statement is that he was originally appointed as the Cable Jointer against permanent vacancy in the year 1984, since then he had been working and producing goods for the benefit of the management, yet no statutory documents such as appointment letter etc were issued by the Management to him, nor he was being paid the class IV employee's wage, rather the Management was paying him only Rs.1,500/-per month. At his several representations for regularization and proper payment of wages, the Management threatened him of removal from the service. He continuously worked from 1984 to 1994. In the year 1994, the Management had invited applications from several persons whose service quite similar to the petitioner, so he had submitted his application for regularization. But the Management stopped him from service as evident from R and E-5 File, as he could not oblige the appropriate person. At his representation against the illegal and arbitrary stoppage from his service, the Management advised him to patiently wait for the approval of the Competent Authority over the matter referred for it. The petitioner was harassed and punished by the Management by keeping him out of the employment from 1994 to 1998, though the Management again allowed the petitioner to resume his duty as Cable Jointer in the year 1998, since then till March, 2003, he accordingly worked continuously. But his service was illegally terminated by the Management by stopping him from service w.e.f. April, 2003 in violation of the provisions of Section 25 F and N of the Industrial Dispute Act, 1947. He had continuously worked by putting more than 240 days attendance in each calendar year during the period 1998 to March, 2003. When the anti labour Management did not heed upon his repeated requests for his demand, lastly he raised the industrial dispute before the ALC(C), Patna which ended in failure of conciliation, resulting in the reference for an adjudication. Thus the action of the Management in terminating the service of the petitioner

was neither legal nor justified in accordance with the principle of natural justice, as it was vindictive and anti-labour policy.

3. The petitioner in his rejoinder has specifically denied all the allegations of the OP/Management as misleading and mala fide, further alleging his entry into the Department of Telecommunication as a casual labour in the year 1990, and his continuous upon 1st March, 2003 having completed 87 days. He was paid his wages through the ACG17 as per the relevant Cash Book. Despite his entitlement for regularization following the completion of 240 days in two consecutive years, the Management did not consider his case. But the Management appointed Messers Surendra Prasad Sao, Binod Prasad Sao, Hare Ram Pandey, Ashok Kumar, Uday Prasad, Tulsi Sao, Deonandan Sao on their applications without any records apparent from the Office Files No. R & E -57-1992-93. The petitioner along with them had also applied for it, but all of them except him were regularized. The petitioner and other were appointed as per the Order/Letter No. R & E -57/Rrt/57, dt. 24.05.1990 of the Div. Eng., Patna A.K.Sinha vide DRM/LM/drm/90, dt.1.8.90 on ACG. The petitioner was engaged as required, and thereafter on regular basis from 01.04.1984. Again, the petitioner alleged that he had been working as a casual labour since 1990 and continuously from April 1994 to 01.03.2006.

4. Whereas the contra pleaded case of the OP/Management is that the present case is not maintainable either in law or in facts as on the law of limitation etc. The Bharat Sanchar Nigam Ltd. (BSNL) is a Government of India Enterprises, so its Management is bound to obey the rules and regulations formed by the Government of India. The alleged petitioner/workman was never appointed even temporarily against permanent vacancy under the BSNL, Patna, so he was neither issued any appointment letter, nor paid. In order to make out a case, the petitioner had made a complaint before the ALC(C), Patna in the year 2004, prior to which he never made so. It shows his case fully concocted based on his totally fabricated documents.

The OP/Management in their separate rejoinder has categorically denied all the allegations of the petitioner as fully incorrect, and further stated that neither he was appointed nor he continuously worked under the Management, hence there is no reason or cause for his regularization. The Sub-Divisional Engineers of the Management time to time required the engagement of labourers as the alleged workman from open market, and the casual labourers are paid their wages directly by the Sub-Divisional Engineer through ACG 17. The casual labourers who fulfilled the required conditions were regularized in service as per the direction issued by the Government for regularization of labour working continuously, but the case of the petitioner is/was quite different from them, so his claim for regularization is wrong

and unjustified. He was never advised to wait for regularization. The alleged appointment and termination of the petitioner are fully concoctions and far way from truth. There was never employer-employee relationship between the OP/Management and the petitioner, so his case does not come under the purview of Sec. 25 F of the Industrial dispute Act 1947.

### FINDINGS WITH REASONS

5. In the instant case, only WWI Ranjeet Kumar, the petitioner for his sake was examined.

On the perusal of the materials produced on behalf of the petitioner/workman, it stands the indisputable fact that petitioner/workman was out and out a casual worker as Daily Rated Worker at ACG 17, as per the letter dt.01.08.1990 of the Div. Eng. Phones (M), Patna as per instruction of TDM, Patna Letter No. R & E-57/Pat/57, dt. 24.5.90 for subs fitting/cable maintenance work (Ext.W.1 with objection). Admittedly, he worked under a contractor. But there are at variances with other facts which need to be determined for proper adjudication:

- (i) Whether there was an employer-employee relationship between the workman and the OP/Management at any time.
- (ii) Whether the workman continuously worked for more than 240 days in a calendar year preceding the date of the Reference as required in the Industrial Dispute Act, 1947, and whether the workman was terminated.
- (iii) Whether the Reference is maintainable in facts and law.

6. At the point of first issue, it has been submitted as per the written argument on behalf of the workman that workman Ranjit Kumar was initially appointed in the year 1984 as General Mazdoor, thereafter he was assigned to the jobs of Cable Jointer against permanent and sanctioned vacancy at SDOT, BSNL Telecom, Patna, as per the letter 01.08.1990 of the Div. Eng. as per the instruction contained in the letter No. R & E -57/Pat/57, dt. 24.05.1990 of DET A.K.Sinha (Ext.W.1 with objection) to work as Cable Jointer under direct control and supervision of J.T.O. Cable (West) Patna, as also he was transferred to Bihasharif to work under D.E.T./SDOT, Bhiarsharif, where he worked from 01.12.1998 till April, 2003, apart from his working since 1984 as evident from his attendances and the Certificates (Ext.2 and 3 series with objections respectively). Whereas Mr. Shusil Pd., Ld. Advocate for the OP/Management has contended that the alleged workman Ranjit Kumar does come under the purview of Sec. 25 B of the Industrial Dispute Act, 1947 as there is no relationship of employer and employee between the OP/Management and the alleged workman, and the workman had admitted to have worked under a contractor.

On perusal of the materials on the case record, I find that the photocopy of the Div. Eng. Phone (M), Patna's

letter dt.1.8.1990 as per the instruction in the TDM Patna letter dt. 24.5.90 (Ext W.1 with objection) clearly refers to 'Engagement of casual Daily' Rated Mazdoors in ACG 17 in the DEP (M) Section for Sub-fitting/Cable maintenance work with regard to four persons including the present workman Ranjt Kumar. But it does not anywhere mention the appointment of the workman against any permanent vacancy on the post of Cable Jointer under the OP/Management. The admission of the workman for his working under a contractor means his such engagement by the contractor for said work. At this point, the engagement of a contract labour by the contractor does not create any relationship of master and servant between the contract labour and the Principal employer as held by the Hon'ble Apex Court in the case of Steel Authority of India Ltd. Vs. N.U. Water Front Workers reported in (2001) LAB I.C.3656 (SC) (Paras 101, 114 & 119). In the reference, no employer-employee relationship ever existed between both the parties for any moment.

7. As to the second issue, the plea of Mr. S.N.Goswami, Ld. Advocate for the workman is that since the workman had continuously worked initially as General Mazdoor, and thereafter as a cable Jointer by putting more than 240 days in a calendar year during the period of 1984 and Dec.1998 to April,2003 as per his attendances and the Certificate of Management (Extt.2 and 3 series with objection respectively), he is entitled to regularization in the job as similarly situated workmen were regularized by the Management; as such his termination was violative of the mandatory provision under Sec.25 F of the I.D. Act,1947. In response to it, Mr. Sushil Kumar, Ld. Advocate for the Management has to submit that the workman was not a regular employee of the Management, rather he was admittedly a contract labour, so no question arises for his termination by the Management under the said provision of law. In the instant case, neither the photocopies of the Attendances nor the Certificates of the DSOT B.S.N.L., Biharsarif (Extt.2 and 3 series respectively) for the period from 1.4.1984 to 12.2.1998 and from 01.12.1998 to 01.03.2003 respectively related to the workman proves his continuous working for a calendar year preceding the date i.e., 28.4.005 of the instant reference as required under Sec.25 B (2) (a) (ii) of the I.D. Act. Mr. Sushil Kumar, Ld. Advocate for the OP/Management has, relying upon 2008(4) JLJR 212 (DB), Emp in re. to Mgt. of Food Corporation of India Vs. Union of India (AIR 1992 SC 789 ; (2007) 5 SCC 317 Relied upon) submitted as held therein that 'temporary employees, even if they have worked for more 240 days in a calendar year, can not claim any right for automatic regularization of their services; even in cases where there are regular posts and vacancies, for which the procedure laid down for appointment has to be followed (Para 4)'. The Instance case of the workman itself suffers from the infirmity of aforesaid legal requisite, so aforesaid ruling does not hold good with the case under an adjudication. But in view of the nature of the instant reference as stands

before me, I am of the view as also held by the Hon'ble Apex Court in the case of Secy., State of Karnataka Vs. Uma Devi (2000)(3) S.C.C. (L & S) 753 that 'since the Union/workmen fail to prove that they had a legal right under the status or rule to enforce it, such employees employed on temporary, contractual, casual, daily wage or ad hoc basis do not have an enforceable legal right to be permanently absorbed (Para 52)'. The ruling appears to be squarely applicable to the instant case of similar nature. The very status of the workman does not establish his alleged continuous working in the calendar year preceeding the date of the instant Reference. For the vital reasons, his alleged termination vividly stands beyond the purview of Sec.25 F of the I.D. Act, 1947.

8. So far as the last issue concerning the maintainability of the instant Reference is concerned, it is prima facie not an industrial dispute within the meaning of Sec.2(k) of the Industrial Dispute Act, 1947, as it has been raised by the individual workman himself, but not sponsored by a Union. It is now well settled that a dispute between an Industrial workman and an employer can not become an industrial dispute as defined in Section 2(k) of the Act unless it is taken up by a union of workmen as held by the Hon'ble High Court, Patna, in the case of Ram Prasad Vishwakarma Vs. Industrial Tribunal, Patna, reported in 1961 (2) FLR 540 = AIR 1961 SC 857. Considering the nature of the Reference, it is held that the instant reference is not at all maintainable in fact and law as well.

In result, it is, in the terms of the reference, hereby awarded that no question arises about the alleged action of the management of BSNL, Principal General Manager, Telecom District Patna, in terminating the service of workman Shri Ranjit Kumar (Cable Jointer) nor about instead of regularizing him on completing 240 days of continuous service in each calendar year of more than 18 years nor about its legality and justification, as the workman was completely and purely an irregular contractor labour having no continuous service as required by the law. Hence, the workman is not entitled to any relief.

“Whether the action of the Management of Bharat Sanchar Nigam Ltd., Patna in terminating the services of Shri Sarvendra Kumar Workman w.e.f. 01.02.2012 is legal and justified? To what relief the workman concerned is entitled to?”

2. Neither the Union Representative nor workman Sarvendra Kumar appeared nor any written statement with documents filed on his behalf. Likewise none appeared for the OP/Management.

On the perusal of the case record, I find that this case has been all along pending for filing a written statement with documents on behalf of the workman in this case which is related to an issue over the alleged termination of the workman. Despite three Regd notices to both the parties, neither the Union Representative nor the OP/Management appeared to respond any of the notices. Out of the both the parties, the BSNL Casual Shramik Sangh in particular by their conduct appears to be quite reluctant in contesting the case for an adjudication.

Under these circumstances, the case is closed as No Industrial Dispute existent. In result it is passed an order of ‘No Industrial Dispute’.

**AWARD**

1. By Order No. L-40012/34/2005-IR(DU) dated 26.10.2005 the Central Government in the Ministry of Labour, New Delhi in exercise of powers conferred by clause (d) of sub-section (1) and sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947 (14 of 1947) referred this industrial dispute between Shri Narendra Bahadur Singh S/o Late Sankatha Singh, R/o Mauja Gajapur, Post – Baluwa, Gajapur (Anai), Varanasi (U.P.) and the General Manager, BSNL, Shivpura, Varanasi (U.P.) & the Sub Divisional Officer (Phones), Bharat Sanchar Nigam Ltd., Babatpur, Shivpur, Varanasi (U.P.) for adjudication.

2. The reference under adjudication is:

“WHETHER THE ACTION OF THE MANAGEMENT OF BHARAT SANCHAR NIGAM LTD, VARANASI IN TERMINATING THE SERVICES OF SHRI NARENDER BAHADUR SINGH S/O LATE SHRI SANKATHA SINGH W.E.F. 31.8.2002 ORALLY IS JUST AND LEGAL? IF NOT, TO WHAT RELIEF THE WORKMAN IS ENTITLED?”

3. The case of the workman, Narender Bahadur Singh, in brief, is that he was appointed as daily wager on the post of Generator Operator w.e.f. 01.06.2000 through oral contract on fixed salary of Rs. 135/- per day and worked as such continuously up to 31.08.2002 when his services have been terminated orally by the opposite parties. It has been alleged by the workman that when he represented the higher authorities for his regularization, his services have been terminated, in annoyance, without any notice or retrenchment compensation in violation to the provisions contained in Section 25 F of the Industrial Disputes Act, 1947 in spite of the fact that he worked for more than 240 days in each calendar year. Accordingly, the workman has prayed that his termination order be set aside and he be reinstated with consequential benefits including back wages.

4. The opposite party has filed its written statement, denying the claim of the workman; wherein it has submitted that the workman was never engaged by it, as such, there arises no question of termination/retrenchment or violation of any of the provisions of I.D. Act. Moreover, it has specifically been submitted that no person holding the post of Sub Divisional Officer in BSNL is authorized or empowered to make oral contract or give any appointment to any person on any post. Accordingly, the management has prayed that the claim of the workman be rejected without any relief to him.

5. The workman has filed its rejoinder; wherein he has not brought any new fact apart from reiterating the averments already made by him in his statement of claim.

6. The parties filed photocopies of certain documents in support of their respective claim. The workman has filed photocopy of the numerous documents along with his statement of claim, detailed as under:

- (i) Working certificate dated 23.6.2001, paper No. 8/12.
- (ii) Working certificate dated 1.12.2001, paper No. 8/13.
- (iii) Working certificate dated 1.9.2002, paper No. 8/14.
- (iv) Working certificate dated 1.3.2002, paper No. 8/15.
- (v) Representation of the workman, paper No. 8/16 to 8/18.
- (vi) Order of Hon'ble High Court, Allahabad dated 18.4.2003, paper No. 8/19 to 8/21.
- (vii) Order dated 6.6.2003 of the opposite party, paper No. 8/22.
- (viii) Representation of the workman, paper No. 8/23, 8/24.
- (ix) Order of Hon'ble High Court, Allahabad dated 25.10.2004, paper No. 8/25 to 8/27.
- (x) Application before ALC (C), Allahabad, paper No. 8/28 to 8/30.
- (xi) FOC report of ALC (C), Allahabad, paper No. 8/31 to 8/32.
- (xii) Reference order dated 26.1.2005, paper No. 26.10.2005.

The workman has filed originals of the above working certificates, paper No. C-18 to C-23. He has also filed photocopy of certain registers, paper No. C-24 to C-24/16.

In rebuttal, the management has filed certificate dated 29.08.2012, certifying that the registers pertaining to Kotwa Telephone Exchange regarding operation of Generators have been weeded out in due course.

7. The workman has examined himself, Sri Bhanu Pratap Singh, Sri Nikas Pal, Gram Pradhan, Sri Radhey Shyam Singh, Mechanic, Sri Kamal Kumar Srivastava, Phone Mechanic and Shri R.C. Gupta, Handwriting Expert; whereas the management has examined Sri Ram Samujh Ram, SDO in support of their respective stands. The parties have availed opportunity to cross-examine the witnesses of each other apart from forwarding oral arguments.

8. I have given my thoughtful consideration to the rival contentions of the authorized representatives of the parties and perused the entire evidence available on record in light thereto.

9. The authorized representative of the workman has argued that the workman had been appointed on contractual basis by the SDO on daily wages, who worked for more than two years continuously with the opposite parties as Generator Operator, therefore, he was entitled for regularization in the department; but the management of the BSNL terminated the services of the workman without following the provisions of Section 25 of the Act. The workman has relied upon:

- (i) Maria Margarida Sequeria Fernandes and Others vs. Erasmo Jack de Sequeria (Dead) though LR. 2012 (1) CRC 671.
- (ii) Sambhaji & Others Vs. Gangabai & Others 2009 (91) CRC 654.

10. In rebuttal, the authorized representative of the management has contended that the applicant is totally stranger to them as the opposite parties neither appointed him in any capacity at any point of time nor made any payment to him, therefore, there arises no question either of completion of 240 days of continuous working or termination of his services or violation of any of the provisions of the Industrial Disputes Act, 1947 altogether. He has further contended that the SDO has no authority or power to engage any person on contractual basis or appoint any one against any post. The management has relied upon:

- (i) Devinder Singh vs Municipal Council, Sanaur 2011 All. C.J. 1957.
- (ii) Ram Singh & Others vs. Union Territory, Chandigarh & Others 2004, ACJ, 576.

11. The workman has come up with a case that he had been appointed through an oral contract to operate the generator at daily wages of Rs. 135/- per day on 01.06.2000 and he worked up to 31.8.2002 continuously when his services have been terminated by the opposite party without any notice or notice pay in lieu thereof, in violation to the provisions of Section 25 F of the Act. The workman has filed certain working certificates, purported to be issued by the Gram Pradhan and some official of the BSNL viz. Sri Radhey Shyam Singh Yadav and Sri Kamal Kumar Srivastava. He has also filed photocopy of certain registers.

12. Per contra, the management has denied the claim of the workman, with a specific submission that the workman had never been appointed by it at any point of time nor he had been made any payment; whereby he is a stranger for them, therefore, there arises no question of termination of the services of the workman at any point of time or violating any of the provision of the Act. The management has also disputed the genuineness of the documents filed by the workman, alleging the same to be fraudulent and fabricated one.

13. The workman in his cross-examination has stated that he was not given any appointment letter. He also stated that he does not have any evidence regarding receipt of pay. The workman's witness viz. Shri Bhanu Pratap Singh, in cross-examination has stated that the workman had not been issued any certificate by Shri Narendera Bahadur before him. The other workman's witness Shri Radhey Shyam Singh Yadav denied that the signatures put on the paper No. 8/10 and C-20 were his. He also denied his signatures on paper No. 24/4, 24/6 & 24/7. Likewise, other workman's witness, Shri Kamal Kumar Srivastava denied his signatures on paper No. C-23 & C-31.

On the other hand, the management witness Shri Ram Samujh Ram stated the workman was not appointed by the department nor he was made any payment by the department. In cross-examination he stated that documents are weeded out after four years and the department does not have any document pertaining to Kotwa Telephone Exchange.

14. It is well settled that if a party challenges the legality of order, the burden lies upon him to prove illegality of the order and if no evidence is produced by the party invoking jurisdiction of the court, the claim must fail. In the present case burden was on the workman to set out the grounds to challenge the validity of the termination order and to prove that the termination order was illegal. It was the case of the workman that he had worked for more than 240 days in the year concerned. This claim has been denied by the management; therefore, it was for the workman to lead evidence to show that he had in fact worked up to 240 days in the year preceding his alleged termination. In *Range Forest Officer vs S.T. Hadimani* (2002) 3 SCC 25 Hon'ble Apex Court has observed as under:

"It was the case of the claimant that he had so worked but this claim was denied by the appellant. It was then for the claimant to lead evidence to show that he had in fact worked for 240 days in the year preceding his termination. Filing of an affidavit is only his own statement in his favour and that cannot be regarded as sufficient evidence for any court or tribunal to come to the conclusion that a workman had, in fact, worked for 240 days or order or record of appointment or engagement for that period was produced by the workman. On this ground alone, the award is liable to be set aside."

15. Analyzing its earlier decisions on the aforesaid point Hon'ble Apex Court has observed in *R.M. Yellatti & Asstt. Executive Engineer 2006 (108) FLR* as follow:

“It is clear that the provisions of the evidence Act in terms do not apply to the proceedings under section 10 of the Industrial Disputes Act. However, applying general principles and on reading the aforesaid judgments we find that this Court has repeatedly taken the view that the burden of proof is on the claimant to show that he had worked 240 days in a given year. This burden is discharged only upon the workman stepping in the witness box. This burden is discharged upon the workman adducing cogent evidence, both oral and documentary. In cases of termination of services of daily wages earner, there will be no letter of appointment or termination. There will also be no receipt or proof of payment. Thus, in most cases, the workman (claimant) can only call upon the employer to produce before the Court the nominal muster roll for the given period, the letter of appointment or termination, if any, the wage register, the attendance register etc. Drawing of adverse inference ultimately would depend thereafter on facts of each case. The above decisions however make it clear that mere affidavits or self serving statements made by the claimant/workman will not suffice in the matter of discharge of the burden placed by law on the workman to prove that he had worked for 240 days in a given year. The above judgments further lay down that mere non production of muster rolls per se without any plea of suppression by the claimant workman will not be the ground for the tribunal to draw an adverse inference against the management.”

16. As per workman's own version, he had been appointed on daily wages through an “oral contract” by the SDO. The workman himself admitted that no appointment letter was issued to him. He also could not show any details of the alleged payment made to him by the department; rather he stated that SDO used to give him payment. On the contrary the management has stressed that the workman had never been appointed by the department nor had been made any payment. It has also pleaded that the SDO is neither authorized nor empowered to enter into any contract or appoint any one on any post. Hon'ble Supreme Court in *Ram Singh and Others Vs. Union Territory, Chandigarh and Others 2004 All. CJ. 576* while dealing with the matter of regularization of contract labour has observed that “relationship of employer and employee has to be determined”

But in the instant case, in view of denial of the management of having any acquaintance with the workman and failure of the workman to lead any cogent evidence to

the effect that he was legally appointed/engaged by the opposite party or proof of any payment made to him by the department of BSNL through cheque, voucher etc., it goes to show that there was no relationship of employee and employer between the workman and the contesting opposite party in the present case. The workman's pleadings goes to infer that he was appointed on oral contract; but such oral contract has no legal sanctity; more so because the management has made a specific pleading in this regard that no officer of the BSNL is authorized to enter into such contract.

Furthermore, the working certificates filed by the workman under the signatures of the employees of the BSNL viz. Sri Radhey Shyam Singh Yadav and Sri Kamal Kishore Srivastava, have been said to be forged one in view of contentions of the management and evidence of Sri Radhey Shyam Singh Yadav and Sri Kamal Kishore Srivastava who stated that the claimed certificates are not under their signatures. This goes to weaken the case of the workman that he was in employment at the Kotwa Telephone Exchange of the opposite party and he worked with Sri Radhey Shyam Singh Yadav and Sri Kamal Kishore Srivastava who were on permanent rolls of the opposite party.

17. In *Surenderanagar Panchayat and another v. Jethabhai Pitamberbhai 2005 (107) FLR 1145 (SC)* Hon'ble Apex Court came to the conclusion that the workman could be entitled for the protection of section 25F of the Industrial Disputes Act, 1947 provided he is successful in establishing the fact that he had been in employment with the employer for a period of 240 days uninterruptedly. It was held by the Hon'ble Supreme Court that in such cases, the scope of the enquiry before the Labour Court was confined only to 12 months preceding the date of termination to decide the question of the continuous service for the purpose of section 25F of the Industrial Disputes Act, 1947. Further, Hon'ble Apex Court has observed as under:

“The claimant, apart his oral evidence has not produced any proof in the form of receipt of salary or wages for 240 days or record of his appointment or engagement for that year to show that he has worked with the employer for 240 days to get the benefit under section 25F of the Industrial Disputes Act. It is now well settled that it is for the claimant to lead evidence to show that he in fact worked for 240 days in a year preceding his termination.”

Hence, in view of the law cited hereinabove, it has to be seen as to whether the workman in the present industrial dispute has worked for 240 days in the 12 calendar years preceding the date of his termination or not. In the present case the workman has stated that he worked continuously for the period of his employment;

but has not substantiated the same through documentary evidence such as payment or working details. In the evidence the workman has stated that he was given payment by the SDO after obtaining his signature. The documentary proof relied upon by the workman towards his working is photocopy of the documents from paper No. C-24 to C- 24/24/16, which is claimed to be the details of operation of the generator; but the same are not admissible; firstly, for the want of original and secondly, for the want of any stamp or signature of any authority of the BSNL.

18. It is the case of the workman that he had been appointed on daily wages @ Rs. 135/- per day; but he failed to produce any reliable document in support of his pleadings. The initial burden of establishing the fact of continuous working for 240 days in a year preceding the

date of alleged termination was on the workman but he has failed to discharge the above burden. Mere pleadings are no substitute for proof. There is no reliable material for recording findings that the workman had actually worked for 240 days in the preceding twelve months from the date of his alleged termination i.e. 31.8.2002; and the alleged unjust or illegal order of termination was passed by the management in contravention to the provisions of the Section 25 F of the Industrial Disputes Act, 1947.

19. Accordingly, the reference is adjudicated against the workman, Sri Narender Bahadur Singh; and he is not entitled to any relief.

20. Award as above.
